

ANNUAL GENERAL MEETING INFORMATION

This will take place on Wednesday 24th February 2010 at 7.30 pm, St Luke's Church Hall, Coppice Road, Willaston. **Please note that we only have the room for 2 hours, there could be an excess charge if we exceed this time, so we will strictly control the business of the AGM. Please note that there is ample car parking behind the Church Hall as well as on the roadside.**

Conduct of AGM We will run a strictly timed agenda and are unable to have an open AOB. However, members can submit items/issues for the agenda, provided they are with the Minute Secretary - Marilyn Norbury- **at least one week** before the AGM. Please be in your place before 7.30 pm to ensure a prompt start.

2009 AGM Minutes - as with last year, copies of these will be circulated on coach walks prior to the AGM.

A copy of these minutes is on the club web site.

Attached to this newsletter is a **Committee member nomination form** - if you would like to nominate current club members for the committee, please secure their agreement

to serve and return the form to the Correspondence Secretary - Kath Conroy - **at least one week** before the AGM.

Committee resignations - No resignations have been received to date.

Membership Renewals - become due at the AGM. The committee is recommending no change to the current fees and would encourage members to submit their renewals using the attached form before the AGM. Renewals will be accepted at the AGM, but only prior to its start, with receipts being issued at a later date.

General Information

Coaches - Members who did not join the 21 of us who trudged through 4 - 6 inches of snow on 3rd January - the Etherow Walk may not be aware that we have returned to Burland as our coach operator. Tom was our driver on the day, but that may not always be the case.

Cancellation of walk at Teggs Nose (17th January 2010) - The occasions on which club walks are cancelled are rare. Whilst the Crewe area was not badly affected by the wintry conditions, the effect on the Peak District was severe. The committee discussed at length the viability of proceeding with the walk. The cancellation of the walk was in the interests of safety of not only members but also coach & driver. The approach to Teggs Nose is tricky at the best of times and with the icy conditions prevailing, it would have been impossible to reach. As many members as possible were contacted about the decision. We plan to have this walk on the July to December 2010 calendar. Let's hope Teggs Nose looks like the picture on the left for the re-arranged walk!!

2010 Winter/Spring Walks Programme - There are still a number of leaders required. Updates available on the club web site.

2010 Evening & Summer/Autumn Walks Programmes - boards for these walks will be circulated on the coach from 17th January. Please help the walk leaders with early offerings of walks. Help is always available for those new to recyng and leading walks.

Walk destinations - leaders must specify precisely their start and finish places, particular if linear walks are involved. There have been some instances where this has not been clear, resulting in extra expense in the coach cost.
