

Items from 13th May Committee Meeting

Ramblers Association - The Club no longer belongs to this organisation, their fee had nearly doubled to £95 this year and the Committee felt that we no longer gained benefit.

The Peak & Northern Footpath Society is being considered and leaflets will be available on the 26th May Coach Walk. A number of Club members are already members of this group which actively protects walkers interests in all of the areas in which we walk.

Club Maps - many of our OS maps are now out of date and will gradually be replaced. There are also other sources of maps available (many free) from local authorities.

An example is a set of 19 maps which Bryan Roe obtained free from Manchester's Countryside - several of these maps were used to plan the recent 'A' & 'C' walks at Ramsbottom. The set covers the Greater Manchester area with detailed walk instructions, more detail will be available on the Club Web Site shortly.

Membership Renewals - when renewing membership, a completed renewal form **must** accompany your cheque or cash. Without a completed form we have no audit trail and our yearly accounts will not be passed by the Auditor.
