This social event has been advertised previously and now is the final opportunity to book a place. Numbers will be limited to ensure participants can hear and we are a suitably sized group for town walking. Tour to be led by Bill Pearson - co-author of Nantwich Pubs Book, published and sold with proceeds going to Nantwich Museum. When we meet book your meal and get yourself a drink ready for an initial talk prior to setting off on the tour. Porthcawl Holiday - On 28th April with a good weather forecast 33 C & N Ramblers set off by coach to Porthcawl, South Wales with one member travelling from as far as London to join the group for their 2019 seven day walking holiday. A full program of walks had been organised for the holiday with walks of 6 and 9 miles available to Rhossili, Tenby, Brecon and Llantwit Major. A rest day was allowed in the middle of the week. It was a very good area for walking and with good weather (only one wet day) all walkers agreed that they had a very good holiday. They are now eagerly looking forward to the 2020 walking holiday in the Isle of Wight. Photographs from the holiday will be placed on the Club website.

Ramble Information - Walk boards for the various walk programmes are currently circulating on the coach walks

Countryside Code - a comment had been received over the code not being observed by some members - in particular relating to the following – “ **Use gates, stiles or gaps in field boundaries if you can – climbing over walls, hedges and fences can damage them and increase the risk of farm animals escaping.**”

A link to the Countryside Code will be placed on the Club website and all members should read and take note,
