

**Gordon Fleet - a long standing Club Member recently passed away  
Our condolences go to his Partner Kath Conroy**

**Our 2021 Sunday Walking Programme re-started on 11th April**

3 groups of walkers enjoyed walking at Betley, travelling by car as Coach travel is not yet allowed under current COVID restrictions.

**Current Walking Rules** - Staggered start times are now in place for the different groups as follows: 'A' walks start at 0900, 'B' walks start at 0930, 'C' walks start at 1000. In order to avoid congestion at the Walk Start Locations Walkers are requested not to arrive for their walk until 15 minutes before the scheduled start time **and maintain social distance with normal COVID19 Protocols.**

Unless otherwise advised, walkers must adhere to groups of 6 during walks and at break times.

**Thursday Morning Walks** These re-started **without a Pub Lunch** on 22nd April with a walk led by Richard Farrall - contact number for future walks is 01270 624649. The next Thursday Morning Walk is on 17th June meeting at Hough Common (CW2 5JL) led by Harry Nottingham - see below for future programme..

**Future Coach use**

Current Lockdown is planned to end on 21st June.

We are currently in discussion with our coach provider as to how we can safely re-start Coach Walks. Once we know the rules we will issue to members the process for booking on to the Coach.

We are planning a start Coach walks on 4th July with a trip to Buxton.

**Annual General Meeting 2021**

Current Government Lockdown restrictions mean that we are unable to hold our AGM normally planned for end of February/early March - we are still discussing how to proceed.

**Future Activities**

Reminisce Meetings are still suspended, however a Skittles Day Event has been booked at the Bickerton Poacher for 9th September - This requires advanced booking, please contact Peter Winby

**2022 Club Holiday** - This is the postponed 2021 event which was suspended due to COVID restrictions - for further details contact Phil Mellor.

**FORTHCOMING WALKS - FOR LATEST REVISIONS SEE WEBSITE**
