

Items from 11th November Committee Meeting

Post-Ramble Meal -27th October 2013 The Robin Hood, Rainow, Cheshire. This proved to be an excellent venue and meal, so much so that another event is being arranged for 30th March 2014 - a booking form will be included in the January 2014 Newsletter.

Lions Form - Would all members please refrain from dying on walks as this presents your committee with lots of problems includ-

ing having to locate next of kin details. If you could pass away in close proximity to your own home it will make our job a lot less stressful. Thank you for your cooperation in this difficult matter. **THE COMMITTEE.**

Seriously!- We recommend that next of kin contact information should be included on the form just in case.
