### From your committee

- (1) Instructions to walk leaders and emergency procedures have been reviewed and found to be in order. A check list of actions in case of emergency is to be placed in each first aid kit.
- (2) Walk leaders should have their mobile phone switched on during the ramble and write their mobile number in the walk book as well as making a note of the driver's mobile number. If a walk leader does not have a mobile phone, then he/she should designate a person within their group who does have a mobile phone to be the contact with their phone switched on.

### General Information

**Chamois Weekend 2009** Another great Chamois W/E was enjoyed by 13 members. On Friday a circular walk was done from Capel Curig, with fantastic views throughout. The Saturday walks had a mixed day of cloud and sunshine, they were firstly a coastal walk of 10 miles on Anglesey, and secondly a walk over Y Garn and the Elidir mountains. Sunday was dry again and after some initial cloud it brightened up into a sunny day. One group climbed Moel Hebog and the other group climbed Drum and traversed the Foel Ganol ridge.

**Skittles Evening - 23rd April 2010 - Bickerton Poacher-** Following this year's successful event, Jan Boulton & Mavis Thorpe are organising another event with a similar format, more details in the January 2010 Newsletter.

**Filming of the Sandstone Trail** - In July this year Cross Country Films contacted the club asking for help producing a DVD of walking the trail. A number of members of the club were involved in both an interview session near to Summer Trees on 17th August and a walk-by session at Raw Head on 19th August. The company hope to have the DVD out by Christmas - full details on the web site.

**New web site for Walkers** - the owner of the Walking in England web site [www.walkinginengland.co.uk](http://www.walkinginengland.co.uk) has just contacted the club with it's details: the site has thousands of walks to download and print FREE! Coverage is a bit sparse in Cheshire, but you might like to use the site if you are travelling further afield. The link is now on our web site.

#### Card from David & Lorna Langford

Dear Rambling Friends

There isn't a card big enough really to thank everyone enough for all the good wishes which have been sent to us. We both had lots of love and support from friends, which helped enormously, especially while Dave was waiting for his op. Now he is home and looking better each day. Somebody told me I would have a new man, but he's still the same old David. You know - Grumpy! Bossy!  
Regards from Lorna & Dave
