Feedback from Committee Meeting - 3/09/2012 -

Organisation of walks - on a number of occasions recently, there has been significant delays in one or more parties starting their walks due to distances between the various drop-off points. Whilst it is not always possible for all par-

ties to start at the same place, leaders should liaise to ensure that their start points should be as close as practicable for the 3 grades of walk.

Bowls Evening 2013 - Following this year's successful event, we plan to stage another Bowls Evening in May 2013
